EMERSON SHUCK
President
Eastern Washington
State College

Dear Friends,

The exciting year of Expo '74 is a fitting time to inaugurate another Spokane tradition with this Inland Empire Shrine Game. It will be a natural and meaningful tradition since it renews a gridiron relation going back many years and supports the significant charitable work of the Shrine hospitals. Just as Eastern is proud to serve the Inland Empire as one of its major educational centers, so too are we pleased to take part in its public celebrations and activities. We thank El Katif Shriners for their efforts in bringing this event into being.

Sincerely

Emerson Shuck

EDWARD B. LINDAMAN
President
Whitworth College

Dear Friends,

Whitworth College is pleased to be a part of this evening's colorful event. We share with the Shrine a common concern for young people, so it is fitting that we participate in an effort to benefit the children of the Shrine Crippled Children's Hospital.

It is a pleasure for us to work with this organization of dynamic men who know how to get things done.

We welcome the opportunity to renew our traditional rivalry with Eastern Washington State College. This is the 57th time the two teams have met on the football field, and the conflict is always an emotional one.

Hugh Campbell's Pirates play an exciting brand of football. We're proud of the continued growth in skill and strength they've shown under Campbell's coaching, and we're glad to show them off here in Albi Stadium.

Thank you for coming. I hope you're enjoying the game.

Sincerely,

Edward B. Lindaman

Potentate's Message

On behalf of El Katif Temple, I extend a hearty "thank you" to all who have contributed toward the success of this 46th Annual Shrine Football Game. A special thanks to the players, coaches, school officials and student bodies, of Whitworth College and Eastern Washington State College. They have all been most cooperative and helpful.

The 19 Shriners' Hospitals for Crippled Children and the 3 Burns Institutes treat children of any faith or race without one cent of cost to the parents.

The people of Spokane and the Inland Empire have always been kind and generous in their support of the Shrine and with your continued help we will be able to prove that "pleasure is something we take out of life, but happiness is putting something into the lives of others".

Sincerely,

*Robert H. Hopkins
Illustrious Potentate
